Designation:	Assistant Engineer (Civil)	
Present Workplace:	Eden Bhaban PWD Division, Bangladesh Secretariat, Dhaka.	
BCS Batch:	38th	

Significant Official/Social Activities in PWD

I tried my best for the welfare of our engineers' community and department in civil service profession i.e. raising active voice against the discrepancy of gradation list and violation of 1/3 rule, participating in the management of different sports tournaments etc. However, I want to be a part of association committee to play an effective role in creating a more inclusive, transparent, and supportive environment for all Engineers in PWD. Let us harness the youth power for sustainable change in our department.

Vision Regarding BCSPWEA

As a candidate for the “Member - Assistant Engineer (Civil)”, my vision is to address the critical challenges faced by Assistant Engineers in PWD and work towards building a professional environment where our contributions are fully recognized and valued. Here are some key focus areas where I want to work for in collaboration with the association:

- 1) Proper implementation of one-third rule
- 2) Update the gradation list and ensure smooth and timely promotion
- 3) Enlarge the organogram and scope of work
- 4) Ensure secured work environment for everyone
- 5) Facilitate the opportunities for higher study
- 6) Upgrade and enhance training facilities
- 7) Promote sustainable procurement and construction
